Please find attached the Booking Form for the above Event.

The weekend is open to all members of Northampton District and their families, including children. However, all adults staying overnight will need to have a valid Scout DBS disclosure in place and will be responsible for their own children throughout the weekend.

Camping will be on the top field, and it is a self-catering event, apart from the BBQ.

The weekend will be the opportunity to catch up with Scouting friends, enjoy some time relaxing, socialising and networking and will be a perfect time to share those programme activity ideas and challenges.

Activities during this fun filled weekend include Laser Tag, Escape Tent, NFC Trail, Pioneering, Archery, Shooting, Cave Bus etc, plus there will be a Campfire, BBQ, Quiz and an Outdoor Disco to enjoy.

At 3.30pm on Saturday, the District AGM will take place, and this will be an opportunity to celebrate the achievements of the District and to welcome our new DC, Ian Malcomson.

To ensure you are part of this exciting weekend, please return the attached Booking Form no later than 20th June 2022.
